“Patients' concerns matter to me, and I treat them like they were my family. ”

About Luong Ming Bui, MD

Dr. Luong Bui is a true advocate for his patients and believes in spending the necessary time to fully understand their issues. "Their concerns matter to me," he says, "and I treat them like they were my family members." A brilliant physician, he is committed to providing pertinent and comprehensive care, making sure each of his patients have all of the information necessary to live their healthiest lives possible. "I see many sick patients," says Dr. Bui, "and it makes me happy to see their health improve."
