

“I want my patients to feel comfortable and see me as their partner in health.”

About Magalys Vitiello, MD

When patients visit Dr. Magalys Vitiello, they immediately sense her kind manner and genuine concern for their health and wellbeing. "I want my patients to feel comfortable and see me as their partner in health," she says. "Seniors often have multiple medical concerns that can be challenging to manage. Helping them make their lives better really matters to me. In my culture, we have a lot of respect for our elders. I feel it is a privilege to be able to support them."
