“Helping others and contributing to the overall well-being of my community are my favorite parts of this profession.”

About Wendy Bernard, MSN, ARNP-C

As an adult-gerontology primary care nurse practitioner, Wendy Bernard, MSN, ARNP-C helps develop treatment plans for acute and chronic diseases and provides health education services to patients on disease prevention and how to make healthy lifestyle choices. “My biggest reward as a healthcare professional is knowing I helped improve a patient’s quality of life,” said Wendy. “Helping others and contributing to the overall well-being of my community are my favorite parts of this profession.”
