“I am not only providing important care to a deserving population, I am being rewarded with true gratitude.”

About Liliana J. Espinosa Chang, MD

Dr. Liliana J. Espinosa Chang is an honors graduate of Facultad de Ciencias Medicas in Cienfuegos, Cuba. Dr. Espinosa Chang continued her post-graduate studies in family medicine, plastic surgery, and burns at Cienfuegos Hospital in Cienfuegos, Cuba, and later completed her Internal Medicine residency at Jamaica Hospital Medical Center in Jamaica, New York.

Dr. Espinosa Chang enjoys educating her patients so they are empowered to make informed decisions. She chose to work with seniors because “I am not only providing important care to a deserving population, I am being rewarded with true gratitude”, she exclaimed.
