

“I love caring for people and helping them live the best life they can. I focus on prevention so my patients can have a good quality of life.”

About Erika Cox, MD

Doctor Erika Cox is double board certified in family medicine, and integrative and holistic medicine. She earned her medical degree at Central University of Venezuela, Luis Razetti Medical School, in Caracas, Venezuela, and completed her family practice residency at Riverside County Regional Medical Center in Moreno Valley, California. She also completed a fellowship in integrative medicine at the University of Arizona School of Medicine in Tucson, Arizona.

“I love caring for people and helping them live the best life they can,” says Dr. Cox. “I focus on prevention so my patients can have a good quality of life.”

When she is not working, Dr. Cox likes spending time with her husband and their two daughters, walking in nature and practicing yoga. She also enjoys reading and traveling.
