

"I feel passionate about helping others and I love making a positive impact on their health."

## **About Mariana Infante Quintero, MD**

Since childhood, Dr. Mariana Infante Quintero always wanted to be a doctor. "I feel passionate about helping others," she says, "and I love making a positive impact on their health." Whether she's diagnosing, treating, or helping prevent health issues, Dr. Infante Quintero believes it's important to listen to her patients and build relationships full of trust and compassion. By providing this level of care for seniors, she says, "It is a way to honor a community that deserves more attention."

Away from work, Dr. Infante Quintero likes to spend time with her husband, be outdoors, read books, keep in touch with her family in Venezuela, and travel to exotic beaches. One day, she hopes to visit Santorini in Greece.
