### **About Steven Cimerberg, DO, FACOFP**

Dr. Steven Cimerberg wanted to be a doctor since the age of 10 and is happy that he passed up a career in music to do it. As a board-certified Fellow in family medicine, Dr. Cimerberg has cared for patients and led others as a medical director, professor, speaker, and president of professional organizations. “When I started out, my training revolved around seniors and the underserved in Ft. Lauderdale,” Dr. Cimerberg says, “so it’s natural that I returned to those roots. My favorite part is bonding with my patients and colleagues.”

In his time off, Dr. Cimerberg likes to cycle outside, go to the gym, keep up with his adult children, and socialize with others. He also loves to visit Las Vegas and hopes to see Italy one day.
