#### **About Mercy Gomez, LAc**

Mercy Gomez is a licensed acupuncturist who has always wanted to care for others. “As a child, I liked helping those younger than me and making connections with seniors,” she says. Working with seniors at ChenMed, Mercy Gomez treats persistent pain, stress, sleep issues, or other symptoms. “It’s such a joy to see the improvements that patients experience with acupuncture and hear how it’s impacted their lives,” she says. “I also enjoy the stories, lessons, and love they share.”

In her time off, Mercy Gomez likes to kayak, ride her bike, walk on the beach, and travel the world. Most of all, she enjoys spending time with family and her cat.
