“I take pride in building trust with my patients and being a solid support system for them.”

About Andre Garcia, MD

Born and raised in Miami, Florida, Dr. Andre Garcia is a proud Cuban American. He loves building strong relationships with patients, which is one of the reasons he pursued a career in medicine. Dr. Garcia says he takes pride in “building trust with my patients and being a solid support system for them.” Dr. Garcia feels honored to serve the senior population and loves learning from their wisdom. “I have realized that the best outcomes are achieved when me and my patients work together as a team,” he says. Preventative care is a strong part of his practice.

Dr. Garcia often reads articles to keep up with new medical advancements. In his free time, he loves spending time with his family and friends. Dr. Garcia also enjoys traveling.
