

**“I strive to make my patients feel individualized, and although I am the doctor, we will work as a team to achieve better health.”**

**About Mamuna Faizi, DO**

Dr. Mamuna Faizi not only loves helping patients when sick but also educating them about their care. “I strive to make my patients feel individualized, and although I am the doctor, we will work as a team to achieve better health,” she explains. Dr. Faizi is passionate about value-based care and strives to help the senior population feel “revered and cared for.” She believes it is “essential” to stay informed on the latest medical advancements. “We all have roles in life, whether it is at home or at work, and I know that I wouldn’t have chosen any other one than to be a doctor,” she says.

In her spare time, Dr. Faizi loves staying active with running, swimming, and weight training. She also enjoys painting and interior decorating.
