

“I hope to give all my patients the tools, knowledge, and support to better manage their health together.”

About Arathy Chandran, MD

Dr. Arathy Chandran has been interested in healthcare for as long as she can remember. “Working on behalf of my patients is the greatest joy of being a physician,” she says. She strives to educate and empower patients. “I hope to give all my patients the tools, knowledge, and support to better manage their health together,” she says. She adds, “A patient places a tremendous amount of trust in a doctor, and so it is vital to earn that trust.” She appreciates the opportunity to “connect with and learn from such a diverse group of people.” I

n her free time, Dr. Chandran enjoys spending time with family and friends and studying Kathak, an Indian classical dance. She also likes watching science fiction and fantasy movies.
