“Being a doctor is my passion, and my goal is to help others either feel better or help with healing.”

About Berenice Garcia, MD

Being a doctor is more than just a profession for Dr. Berenice Garcia. She explains, “Being a doctor is my passion, and my goal is to help others either feel better or help with healing.” She loves seeing the positive impact she can makes on people’s lives and especially enjoys caring for the senior population. “I believe that we should always try to help them maintain dependence by providing as many resources as possible,” she explains. She loves connecting with patients by educating them and actively listening. “I am always willing to answer any questions or concerns they may have,” she says.

Dr. Garcia loves spending any free time with her family. She also collects Pokémon cards and enjoys watching anime.
