

“I strongly believe that prevention is paramount to a patient's positive health outcomes.”

About Harold Prat Garcia, MSN, APRN, FNP-C

Harold Prat Garcia followed in the footsteps of many family members by pursuing a career in healthcare. He views the doctor-patient relationship as a “partnership” and wants patients to know he cares. “I make it a point to listen to their concerns,” he says. He is a firm believer in preventative care. “I strongly believe that prevention is paramount to a patient’s positive health outcomes,” he says. He appreciates the opportunity to both teach and learn. He explains, “I enjoy teaching patients about nutrition, exercise, and their health conditions.” He adds, “As healthcare providers, we can never stop learning.”

In his free time, Harold Prat Garcia likes traveling with family. He is also interested in the automobile industry.
