“I am dedicated to providing the best, proactive care while treating them with the respect and dignity they deserve.”

About Elizabeth Rizo-Medina, MD

From a very young age, Dr. Elizabeth Rizo-Medina dreamed of following in her father’s footsteps and becoming a doctor. “I’ve always loved helping people, and it’s rewarding to make an impact in the lives of patients,” Dr. Rizo-Medina shares. Understanding the complex, changing needs seniors can have, she adds, “I am dedicated to providing the best, proactive care while treating them with the respect and dignity they deserve.”

When she’s not with patients or keeping up with the latest medical research, Dr. Rizo-Medina enjoys spending time with her husband and cheering on her two children as they play baseball. Travel also excites Dr. Rizo-Medina—she hopes to one day visit San Francisco to see the redwood trees.
