

“Medicine is an ever-evolving field and offers great potential for self-growth and acquisition of knowledge.”

About Fatima Ahmed, MD

Dr. Fatima Ahmed chose to pursue a career in medicine to help make a difference in people’s lives and contribute to “the wellness of society as a whole.” Her favorite part of her profession is developing relationships with patients. She explains that she tries to “provide the best possible care” to gain her patients’ trust. She likes listening to them and asking them questions to “better understand their experiences and expectations.” She also loves the endless learning opportunities. “Medicine is an ever-evolving field and offers great potential for self-growth and acquisition of knowledge,” she explains.

Dr. Ahmed enjoys reading, cooking, and enjoying time with family in her down time. She also collects coins and stamps.
