“The best medicine for my patients is a blend of love, patience, and my dedication to ensuring that each of their days is synonymous with a happy, quality life surrounded by their loved ones.”

About Yuleika Rodriguez Calvino, APRN-C

A desire to understand the human body and use that knowledge to help others led Yuleika Rodriguez Calvino to a career in healthcare. She treats patients with empathy and believes in “listening more than speaking.” She likes creating “coordinated and realistic action plans for each patient.” She recognizes the importance of a support system and likes building relationships with both patients and their families. “The best medicine for my patients is a blend of love, patience, and my dedication to ensuring that each of their days is synonymous with a happy, quality life surrounded by their loved ones,” she says.

Yuleika loves spending her down time with family and close friends. She also enjoys traveling, watching movies, and cycling.
