“Older adults deserve respect, patience, and quality care, and I want them to help them stay as healthy and independent as possible.”

About Oyantay Merida Alvarez, M.D.

Dr. Merida’s “desire to help people live healthier and better lives” led him to a career in medicine. He especially enjoys caring for the senior population, explaining, “Older adults deserve respect, patience, and quality care, and I want them to help them stay as healthy and independent as possible.” He builds strong relationships with patients through “trust, respect, and good communication.” He explains, “Showing empathy and kindness is paramount.” He adds, Having a caring and trustworthy healthcare provider can make them feel less alone and more hopeful in their health journey.”

In his free time, Dr. Merida can be found enjoying quality time with family. He also loves reading, watching movies, and playing sports.
