“From our first encounter, I treat each patient with the dignity they deserve, recognizing their wisdom and life experience.”

About Yoelquis Rodriguez, MSN, APRN, FNP-C, WCC

Yoelquis “Yoe” Rodriguez finds it incredibly rewarding to restore “hope and dignity” to the lives of his senior patients. “Medicine allows me to combine my passion for science with my commitment ot helping others achieve more good days,” he says. “Respect, consistency, and active listening” are key in his practice. “From our first encounter, I treat each patient with the dignity they deserve, recognizing their wisdom and life experience,” he explains. He adds, “I’m their advocate and partner in healthcare, not just their doctor […] my commitment extends beyond scheduled appointments—I’m here when they need me.”

Yoe loves spending his free time with his family and local community. He also enjoys reading and cooking healthy meals.
