**“My goal is to help every patient live a healthier, happier life through trust, education, and compassionate care.”**

### About Dalay Vazquez, APRN, FNP-C

Dalay Vazquez developed a passion for medicine from a young age, driven by a genuine desire to help others. "I believe that caring for people — especially seniors — is one of the most meaningful ways to contribute to the world," she says. Guided by the values of honesty, trust, and compassion, Dalay approaches every patient as if they were a member of her own family. She believes preventive care is the cornerstone of good health, and focuses on helping patients maintain healthy lifestyles, prevent disease, and achieve their long-term wellness goals. "My goal is to help every patient live a healthier, happier life through trust, education, and compassionate care," she says.

Fluent in both English and Spanish, Dalay is able to connect with and serve a diverse patient population, ensuring every patient feels comfortable and truly cared for.

When not with patients, Dalay enjoys spending time with her family, traveling, and watching her favorite television shows.
